About the Workshop:

This is another in a series of workshops from the Fresno Area Christian Career Ministry Network. This workshop includes a time of fellowship, encouragement from God's Word and technical support for those who are facing challenges navigating today's employment market.

You'll hear a compelling message and be inspired by testimonies from those who look to God as their provider and as their source of strength in all aspects of their lives. You'll also receive spiritual support along with technical assistance in both Resume Review, Resume Development, Interviewing Skills and developing a spending plan for the resources you have now. If you have a resume, please bring it with you to be reviewed.

About Us:

The Fresno Area Christian Career Ministries Network is a collaborative of Christ-centered ministries focused on walking along side those who are facing employment related challenges, from being unemployed, under-employed or nervously employed.

Our Network's Ministry Partners include NorthPointe Community Church, St. Joseph Missionary Baptist Church, New Covenant Community Church, King of Kings Community Center, My Sister's Closet and Crown Financial Ministries.

To plan future workshops, we want to know the type of topics and assistance that would be of the greatest help to you. Please let us know by emailing us at workshops@christiancareerdepot.com.

If you are unable to attend this workshop, but would like to be on our email list for future events, please send us your contact information.

And this same God who takes care of me will supply all your needs from His glorious riches, which have been given to us in Christ Jesus.
