

WHAT'S HAPPENING AT NORTHPOINTE

WHAT TO EXPECT

We're glad you're here & we hope your experience with us will be meaningful & memorable. Our worship service should last about 70 - 75 minutes. So relax, grab some coffee, and meet some of the great people who call NorthPointe home.

Thanks for joining us today!

Families with Children Kids are important to us; that's why we created NP Kids to be a fun, safe environment with nurturing workers & great facilities. If you need help finding the appropriate class, ask a greeter or stop by the Resource Center for help. If you choose to keep your child with you, please sit near the exits so you can slip out if your child creates a disturbance. You can take your child to their class at any time, or view the service in the Holding Zone located in the lobby.

Fresh Start With God If you're seeking to learn more about Christ or renewing your faith, stop by the booth on the patio to pick up your free Fresh Start With God packet.

Connection Cards Filling out your Connection Card is one of the easiest ways to let us know who you are & how we can support you. Use it to get connected to studies, classes, and groups you see in the bulletin. Let us know how we can pray for you, or sign up for the next set of Core Classes. Just fill it out & drop it in the offering basket at the end of service and we'll be in touch shortly.

The Lounge If you've made a commitment to Jesus Christ today, or would like to talk with someone about it, join us in The Lounge after each service – we'd like to pray with you and connect you with helpful information. The entrance is located at the southwest corner of the Worship Center.

Listen Online If you've missed a service & want to get caught up with a recent message, visit northpointe.org where you can listen online and download message notes.

Special Note: Please be sure any offering envelopes you use have our current office address of 2787 W. Bullard Ave. Suite #101, Fresno, CA 93711.

Dear Friends - So many people have experienced deep, lasting change in their lives as a result of their involvement at Celebrate Recovery. I know this because I am one of **those people!** There is nothing I would like more than to have you join us and become part of our recovery family! Every one of us knows how hard it is to make the choice to come to that first meeting, so being sensitive to that, our atmosphere is very newcomer friendly. We offer an orientation session after each Wednesday night service so that you have the opportunity to meet some of our leaders and ask some questions. More than anything though, we just want you to know that you don't have to struggle or be alone. We're here for you! 2012 promises to be the best year yet at Celebrate Recovery and we're praying that you'll find your way here. We also have a new Women's Sexual Integrity open share group beginning **Wednesday, 2/8**. *It's the best place to be on Wednesday night!*
